Per Section 9, Zoning Signoff Procedures, each application shall be accompanied by:

- a. a completed Zoning Signoff application form;
- b. the appropriate fee (\*when an application is not associated with a building permit.);
- c. a Class A-2 boundary survey showing the information required in the Appendix of the Regulations;
- d. a Soil and Erosion and Sediment Control Plan in accordance with Sec.6.5; and
- e. other drawings and documentation showing the information required in the Appendix of these Regulations.

The Zoning Enforcement Officer may reduce the application requirements provided there is sufficient documentation to determine compliance with the Regulations.

Per Section 9.1.G, any Zoning Signoff issued by the ZEO shall become invalid if the authorized work is not commenced within six (6) months after issuance, or if the authorized work is suspended or abandoned for a period of six (6) months after the time of commencing the work.

Per Section 9.2.B.4, a Certificate of Zoning Compliance shall remain in effect as long as the specified uses and conditional requirements are properly maintained but shall terminate whenever such conditions and uses are no longer maintained.
