On the above date and time, Officers responded to the area of Blue Hills Avenue and East Dudley Town Road for a possible collision. BPD dispatch received a phone call about a motorcycle on the lawn of a business at the intersection. On arrival, Officers found a severely damaged motorcycle, along with a male laying on his back next to the motorcycle. The 41-year-old male was unresponsive, not breathing and had no pulse. CPR was performed and EMS pronounced the male deceased on scene. Preliminary investigation suggests this was a single vehicle motor vehicle collision, where the operator lost control of the motorcycle and slid from the roadway to the grass area.

Anyone with information concerning this incident is asked to contact the Bloomfield Police Department.
