---

The Bloomfield Police Detectives Unit continues to investigate the circumstances of the house fire at 14 Ivory Dr. An autopsy of the decedent was conducted by Office of the Chief Medical Examiner and the decedent has been identified as Howard Hakian, 66 years of age. The cause and manner of death is listed as “pending further studies” until toxicology and further examinations can be completed.

The origin of the fire continues to be investigated in a conjoined effort with input of the Bloomfield Center Fire, Fire Marshall and the CT State Police - Fire & Explosion Investigation Unit.
