On Tuesday 11/12/2024 at approximately 11:30 p.m. Bloomfield dispatch received information from Hartford Police that HPD officers were with a male party who stated his vehicle was shot at while in Bloomfield. BPD officers initiated an investigation (24-32872), no injuries reported and the victims vehicle had four (4) bullet holes. The preliminary information indicated this was a domestic relationship incident and investigators were able to develop suspect vehicle information. BPD officers were made aware of the try and locate bulletin for the vehicle and suspect.

Today at approximately 10:30 a.m. BPD Patrol Officers identified the suspect vehicle traveling through Bloomfield and attempt to conduct a motor vehicle stop. The suspect vehicle fled, and officers initiated a pursuit. The suspect continued to drive out of Bloomfield, to Windsor, onto the highway and into East Hartford with officers following at high rates of speed.

Officers lost sight of the suspect vehicle once in East Hartford. East Hartford PD was notified of the pursuit as it was heading into their town and responded to assist. A canvass of the neighborhood located the suspect vehicle abandoned and a K9 track from the vehicle was started. During the track it was learned that the suspect ran into an open residence where the residents were outside in the yard. Police surrounded the house with only the suspect inside. After a period of negotiation, the suspect surrendered without further incident. EHPD arrested the suspect on charges relevant to charges within their town. BPD officers will be bringing motor vehicle charges (24-23893) and continue to investigate the shooting incident in an effort to develop probable cause for an arrest in that case.

BPD Arrested: Antwane Daniels 24 yoa Middletown, CT

BPD Charges: Reckless Driving 14-222, Interfering with Police 53a-167a

Further charges pending as the investigation into both incidents continues
