THANK YOU JUDGES!
Richard Zito & Veronica Williams

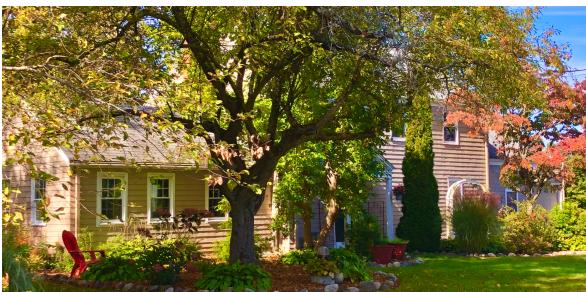

Congratulations to Bloomfield's 23 Notable Landscape Winners for 2021. They live throughout our town. Nominated by Bloomfield residents and the BBC, they were all judged on their curb appeal. No two homes or businesses are alike. Every garden has its own personality. They receive special lawn signs to post for others to recognize their accomplishments. Bloomfield winners are to be commended for leading by example and instilling such beautiful inspiration and pride to our community.
