On June 23, 2025, at 1525 hours Bloomfield Police officers responded to a report of a motor vehicle accident with injuries. Upon arrival officers found a vehicle in the westbound lane of Cottage Grove Road that had been rolled onto the driver's side. The operator was still inside the vehicle and officers assisted extraction. Witness reported that the vehicle had been operated in an erratic manner while traveling west on Cottage Grove Road prior to striking two other westbound vehicles that were stopped for the red traffic light at the intersection of Blue Hills Avenue. One of the struck vehicles received minor damage and the second vehicle was damaged extensively.

The operator of the rolled over vehicle suffered head and face lacerations as a result of the accident and was transported to Saint Francis Hospital. There were no injuries to the other two operators reported.

Officers continue to investigate the cause of the accident with motor vehicle charges to be determined as of this writing.
